

BAGS OF POWER! DAY ONE

SCRIPT

All God's people, the Israelites, were living in **EGYPT**.

The King of **EGYPT**
Didn't like God's people, the Israelites.

He thought there were far too many of them
He made all of them slaves to help build his huge kingdom of **EGYPT**.

Then he did something even more evil.

He decided to kill all the Israelite **BABY** boys.

The Israelites were very very worried.

One family decided to hide.

Their **BABY** boy so the King of **EGYPT** wouldn't kill him.

They managed to hide the **BABY** for 3 months but the **BABY** got bigger and bigger.

And louder and louder.

And they had to make another plan to keep their **BABY** safe from the King of **EGYPT**.

They got a **BASKET**

They made sure the **BASKET** would float in the **RIVER**.

They took the **BASKET** with the **BABY** to the **RIVER** Nile.

The **RIVER** Nile flows through **EGYPT**.

They put the **BABY** into the **BASKET**. They put the **BASKET** into the **RIVER**.

The **BABY'S** big sister stayed close by and watched the **BABY** in the **BASKET** in the **RIVER**.

She watched her **BABY** brother floating on the **RIVER** in **EGYPT**.

A Princess came to the **RIVER** and saw the **BASKET** with the **BABY** in it.

She felt really sorry for the **BABY**. She picked the **BABY** out of the **BASKET**.

The **BABY'S** big sister said to the Princess

"I can get someone to feed the **BABY** for you."

The **BABY'S** big sister went and got her Mum to feed her own **BABY**.

They took the **BABY** home and looked after him until he wasn't really a **BABY** anymore.

Then he went to stay with the Princess in the Royal Palace.

The princess called him Moses,

Because she had lifted him Out of the **BASKET** in the **RIVER** in **EGYPT** when he was a tiny **BABY**.
