

BAGS OF
POWER!
DAY THREE

SCRIPT

In this script there are three parts - **NARRATOR**, **GIDEON**, and **ANGEL**. You could send this script to people and ask them to play each part. Alternatively, the leader of the session could be **NARRATOR**, and divide the group into two - **GIDEONS** and **ANGELS**. When either Gideon or the angel speaks the narrator reads out each sentence, and the group repeats it.

NB - due to delay on video conferencing, you might want to ask people to mute their microphone when they're not speaking!

NARRATOR:

Gideon had heard stories all about God and His people throughout his life.

They all told how God was powerful, performed miracles and looked after his people.

Gideon thought that maybe God had left his people. They had been praying a lot and asking for help, but everything had gone wrong. Gideon and all the people in his country were hiding from their very scary enemies, who kept attacking them, burning their crops and stealing their animals. They hid in the mountains, they hid in the caves. They hid anywhere they could find that was safe.

Gideon was hiding in a place for crushing grapes to make wine. He thought he was all alone when suddenly an angel appeared!

ANGEL:

Gideon you are a mighty warrior! God is with you! Go with the strength you have!

GIDEON:

Why has this happened? God has abandoned us! Where are the miracles?

NARRATOR:

Gideon was scared. Gideon was hiding. Gideon thought God had abandoned him.

But God said to him, through the angel:

ANGEL:

"I am with you!" "You are mighty!" "I will give you strength!"

NARRATOR:

And God did! Gideon, with God's help, saved his people from their terrible enemies!
